Miami-Dade Chapter FOUNDER'S DAY WEEKEND

PRESIDENT'S CORNER - PROTECT YOUR MIND

The calendar year is slowing coming to a close and change seems to be the only true constant! With the Delta variant of COVID-19 a very real threat, "proceed with caution" is the suggested mentality going forward for at least the next three months.

The Orange Blossom Classic has come and gone and we're back to the daily grind. But the daily grind, even one from the comfort of your home, can be detrimental to one's mental health. Mental burnout is very real and can be exacerbated by the seemingly constant stream of news, social media, work responsibilities all while dealing with a global pandemic.

Try your best to take some time – maybe just five minutes – to take a walk alone or read a chapter out of your favorite book or just to rest. It's oh, so easy to get caught up in the day-to-day, especially in today's digitally interconnected world.

Allow this to be your reminder than a little "you time" is well-deserved. You're more than worth it.

Take care!

Masekela Mandela II
